KILLED BY WIFE

Winfield, Kans., July 27.—Homer S. Wilson, matinee idol of wild West shows, who killed two men on the main street in Tahlequah, Okla., a year ago to avenge his wife's honor, himself was shot and killed on a lonely road near here late yesterday afternoon by Mrs. Wilson.

And in Wilson perished the fourth man connected with the life of the pretty, dark haired woman who now sits quietly in the county jail here. Charles West, first husband of Mrs. Wilson, was shot and killed from ambush near Tahlequah, half a dozen years ago. Then Frank Anthony and his father, William, fell at Wilson's hands because, so Wilson charged, young Anthony, foreman of Mrs. Wilson's ranch at Tahlequah, had been intimate with Mrs. Wilson while her husband was in the army.

Wilson was shot this afternoon by Mrs. Wilson as they were returning from a cattle purchasing trip. Charles Ridgeway and Ed Glass, who have ranches near Dexter, were returning with the Wilsons. According to their story, Wilson had been driving very fast. When a stop was made for tire trouble and Wilson left the car Mrs. Wilson slid into the drivers' seat, insisting she would drive. An argument followed, and Mrs. Wilson suddenly shot twice with an automatic pistol she had taken from one of the seats.

Claude W. Fletcher, chairman of the hotel committee for the firemen's convention which will be here next month, requests all persons having rooms to rent to communicate with him as to the number of persons that can accomodate during the convention which will be held August 25, 26 and 27.

All is in readiness for the trial of Samuel Sorrell, charged with shooting and killing his brother Charles Sorrell which will begin in the corporation court tomorrow. Attorneys Frank Stuart and Charles Henry Smith will conduct the defense and Commonwealth's attorney Howard W. Smith will be assisted in the prosecution by Attorney Albert V. Bryan.

APPEAL FOR FUNDS FOR BRASS BAND

Needs $450 More To Insure Its Upkeep For Year

FORTY-FIVE MEMBERS

Committee to Solicit Among Business Men of City—Already $155 Has Been Given by Organizations

Are you interested in Alexandria and in its Civic Organizations? Do you not feel that the city the size of ours should number among its organization a brass band? Do you know that a brass band has been recently organized in this city, with a total of 45 men expressing a desire and willingness to become members thereof, and who have elected the following as officers to serve for the ensuing year: L. D. Sullivan, President, W. R. Tatspaugh, Vice President, C. P. Heishley, Secretary-treasurer, J. C. Gill, Jr., Librarian.

If you are interested, would you be willing to contribute a sum of money annually, or as a flat contribution towards the support of this band, thereby becoming a contributing member of the same? It will cost approximately $600 annually to maintain this band, that sum being necessary for the purchase of new music, rental and light bills, services of instructor, and for the laying aside of a small sum for the purchase of musical instruments for the members who have none.

Would it be of any interest to you to know the following organizatins of this city have contributed the sum opposite their names towards the sum for the annual support of the band, and would you be willing to add your name, or that of your firm or organization of which you are a member, to this list:

Seminole Players Association, $25. H. K. Field Memorial Bible Class of the M. E. Church South, $25, Methodist Protestant Sunday School, $10, Seminole Tribe, No. 35, I. O. R.M. $10, Reliance Engine Company, No. 5, A. F. D. $10, Relief Truck and Engine Company, No. 1, A. F.D. $10, Andrew Jackson Lodge, No. 120, A.F.&A.M. $25, Washington Memorial Lodge of Perfection, No. 7 A.A.S.R. $25, Knights of Pythias, $10, Alexandria Canton, No. 1, I.O. O. F. $5. Total $155.00.

If you are interested a committee will shortly call on the business men of this city for a subscription, as we feel that a city of this size should number among its organizations a brass band. You see we need approximately $450 to complete the total required. In this connection, it also may be of interest to you to know that a number of bands are supported in this manner in cities throughout this, and other states, of which they have become justly proud, the city of Staunton, Va., is cited as an instance throughout the state for its musical achievements. It is hoped therefore, that you will feel disposed to help out in this cause even though it is a small sum it will be appreciated.

Labor Day Picnic

Queen to be Feature of Sunday School Outing

There is to be a queen or "first lady" of the mammoth Sunday school picnic to be held by the Y. M. C. A., Labor Day at the George Mason High school grounds. The picnic will feature the winning Sunday school in the attendance campaign which all of the schools of the city are so enthusiastically taking part in just now.

But the "first lady" feature was just decided on last night at a meeting of the Ladies' Auxiliary of the Y. M. C. A., which will give the picnic. Miss Corinne Reardon, chairman of the entertainment committee, suggested the idea and the winning school is to select the young lady who will be the patroness of the Labor Day outing.

Just who the lucky young lady will be no one can say, but it is already decided that she is to sit at the head of the table at the complimentary dinner and is to be "crowned" just before lunch. In fact she is to actually be the "first lady" of the picnic and will doubtless be the recipient of many compliments and presents.

Practically the entire session of the auxiliary was taken up with the business of managing the picnic. Miss Cora L. Cochran, chairman of the concessions and refreshment committee outlined her program and submitted the menu for the complimentary dinner which, if read before the contesting Sunday Schools would doubtless cause a stampede to Sunday school next Sunday.

Full list of committees will be announced in a day or two and a committee of the auxiliary will visit the picnic grounds and plan the affair at first hands so that nothing will be left to the last minute and everything complete for the greatest picnic ever held in this vicinity.

RACE CALLED OFF; RESOLUTE LEADING

Regatta Committee Decided Yachts Could Not Finish In Time Limit

DRIFTING CONTEST

Challenger Crossed Starting First Yesterday, But Defender Soon Passed Her.

Aboard United States Destroyer Goldsborough, July 27.—With the yachts in what was expected to be the deciding race of the contest for the America's cup still miles from the turning mark, it was decided by the committee at 5 o'clock yesterday to call off the race, as there was no hope at that time of finishing within the six-hour limit.

At 4.35 o'clock the yachts had only two hours in which to finish. The wind from the southeast, was light. Resolute was nearly two miles to the weather of Shamrock and about six miles from the turn. The challenger eight miles away.

The race will be resailed today unless by 9 o'clock either skipper requests the regatta committee for a postponement.

From the start the race was little more than a drifting match. At noon the time originally set for the start, the wind was so light that the regatta committee's boat hoisted a flag postponing the contest until later in the day.

The wind was not even sufficient to carry Shamrock to the starting line. She was about two miles from Ambrose Lightship when she ran into a calm spot and signaled for assistance to tow her to the starting point.

REBELS DECLARE WAR

Naticnalists Denounce The Peace Terms Accepted by Constantinople

Angora, Turkey, July 27.—The Turkish Nationalist Congress here adopted a resolution yesterday denouncing the peace terms accepted by the Constantinople Government and declaring the Nationalists will oppose the terms militarily to the bitter end.

Observers arriving here from the Caucasus say the Bolsheviki are training an army of 10,000 at Baku, on the Caspian Sea, for an invasion of Persia. The force includes many Persian workmen, who are being trained primarily as propagandists, although having military instruction.

The Bolsheviki have insisted, according to the observers, that they will penetrate India after Persia and arouse the entire Mohammedan world against the Turkish peace.

PUTTING COPS TO FLIGHT

Danville Officers With Drawn Revolvers No Terror to Autcist Smashing Traffic Law.

Danville, Va., July 27.—Three policemen with drawn revolvers were put to flight here Sunday night by a persistent violator of the city's traffic law, who passed them three times violating the speed limit. The gait of the large roadster was so furious on one of the trips it made that another motorist drove across the sidewalk to get out of the way.

The car, with two white men in it was first observed coming up Main Street at about forty miles an hour. In a few minutes it came back down the hill and shortly returned at breakneck speed.

Three policemen endeavored to stop it the last time by standing out in the street, but when the car showed no signs of checking up the officers plunged for the sidewalk and did not fire their weapons. The identity of the driver has not been revealed.

CLEAR FIELD FOR TUCKER

Belief Is General That the Lexington Man Will be the Unanimous Choice of Virginia's Democracy.

Richmond, Va., July 27.—Harry St. George Tucker, candidate for nomination in the Democratic primary next year for Governor of Virginia, will sweep the Southwest, regardless of any opposition he may encounter, W. L. Dennis, of Grundy, formerly clerk of Buchanan County, said yesterday during his stay in Richmond.

Mr. Dennis believes, with other leading Democrats throughout the State, that Mr. Tucker will have a clear field and will succeed Governor Davis as the unanimous choice of his party. RECOGNITION SEEN IN ARMISTICE

Opposed By France, But Agreement May Force Millerand's Hand

HAVE THEY WON FIGHT

Poles Recapture Grodno After Hard Fighting—Parleys Begin—France Has Large Holdings in Russia

London, July 27.—There is a growing impression in official and diplomatic circles that direct dealing between the Allies and the Soviet Government of Russia, implying as it does virtual recognition of the Lenine-Trotzky regime, will come out of the Polish-Bolsheviki armistice.

Premier Lloyd George received a long message Sunday night from the soviet government expressing a willingness to send representatives for a conference with the Allied Premiers over the Polish situation.

There was a meeting of the Cabinet yesterday morning and immediately thereafter it was stated that Lloyd George would go to Bologne today for a conference with Premier Millerand, of France. France has been the chief obstacle in the path of Allied recognition of the soviet government. The question asked in all diplomatic quarters now is:

"Have Lenine and Trotsky at last won their fight for recognition?"

It is admitted that the soviet government turned a clever trick in accepting as it did, the Allied suggestion, made through Lloyd George that the Bolsheviki advance against Poland

CREED FOR AMERICANS.

A newspaper man, Charles W. Miller, city editor of the Vicksburg Herald, has compiled "An American Creed," consisting of passages from the Old and New Testaments. The selections transposed and arranged in such a manner as to preserve the continuity of the creed unbroken to the end, are said by Mr. Miller to contain "the wholesome truths handed down from the prophets, the Savious and the apostles

There are seven quotations from the Old Testament and twenty-one from the New Testament, making a total of more than 800 words in the creed. It begins with the words of Timothy, "Godliness with contentment is great gain. For we brought nothing into this world, and it is certain we can carry nothing out." The second paragraph is introduced by a passage from Malachi, "Have we not all one Father? Hath not one God created us? Why do we deal treacherously every man against his brother by profaning the covenant of our Father?" The creed closes with these words from Timothy, "Now unto the King Eternal, Immortal, Invisible, the only Wise God, be Honor and Glory for Ever and Ever."

W. F. Bond, State superintendant of education in Mississippi, writing to the compiler, said: "This is a splendid creed, and we should like very much to have a copy in the hands of every school child in the State."

Mr. Miller, who has been a newspaper man more than thirty years, said: "In this age of godless selfishness, the tendency of the times is running steadily and rapidly into a state of unrestricted license, regardless of a high standard of life. Something is needed to assist in turning the attention of old and young to their duty to God ad their neighbors. The Holy Bible will give the correct answer to every conceivable question that can be framed by man. It is the rule and guide for humanity."

RECIPROCITY VIOLATED.

The announcement in yesterday's Gazette that an understanding had been reached between the Virginia authorities and those of the District of Columbia by which District tags on auto trucks would be recognized in the Old Dominion and Virginia tags in the District of Columbia, was read with satisfaction by hundreds interested. Heretofore trucks from this state which entered Washington minus District tags were stopped and the chauffeurs fined. Such vehicles entering Alexandria without Virginia tags were held up by the police and those in charge were fined ten dollars in the Police Court. Under the compromise it was supposed that in future but one tag would be necessarry.

One of our prominent law-abiding business men yesterday sent his truck to Washington for the purpose of delivering an order in that city, and almost as soon as the vehicle left the higway bridge it was stopped by a policeman because it failed to carry a District tag. The chauffeur was fined notwithstanding his protest and appeal to the recent reciprocity.

People owning auto trucks as well as others not engaged in commerical activities consider the new arrangement equitable, and it was hoped no further friction between Alexandria and Washingtonians would occur concerning license tags, but it seems that the reciprocity has not yet become generally understood in the capital city, according to the Alexandrian who says he was fined yesterday for failing to have District tag.

THE COOL WAVE.

One year ago yesterday this section country was in the grip of one of the hottest periods of the summer. Yesterday the weather was cool and comfortable and will continue so, with no prospects of a hot wave in sight for many days, according to the Weather Bureau.

The thermometer hovered around the 80-degree mark all day, while this time last year it registered near the century mark. The highest temperature Sunday was 78 degrees, and Saturday 93 degrees. The lowest Sunday night was 61 degrees, in fact it was quite chilly that night.

The low temperature Sunday night came within 2 degrees of being the lowest during this month for the last 50 years.

The humidity yesterday was 30 per cent. lower than Sunday or Saturday.

The forecase for tomorrow is fair and slightly warmer with gentle northerly winds.

The prevalent cool wave was caused by a storm area advancing eastwardly across the Northern States during the latter part of last week, causing hot and humid weather hereabouts. As is usually the case, the storm area was followed by a cool wave or an area of high pressure. The cool weather came from the Canadian provinces and spread rapidly over the United States.

AVERSION TO CHILDREN.

Declaring that children are the greatest asset to any city and severely criticising those apartment house owners who bar children, Rev. George W. Bounds, of Kingswood Methodist Episcopal Church, Wilmington, Del., Sunday night said that Wilmington citizens are fostering race suicide.

"We break our necks to trail some petty offender and hale him into court with great glee," said the divine, "and then allow some big offender to keep out of the clutches of the law."

He told of recently seeing a dirty, unkept child crawl about the porch of a house, while the mother sat rocking a poodle dog on her lap. Real estate agents, the minister said, were showing people from their offices who sought a home for themselves and children. The city is keen to safeguard everything except its children, he added.

"Take heed that ye offend not one of these little ones, for verily I say unto you that in heaven they do always behold the face of my father." are words seldom heeded by irritable people who strangely forget they were children themselves once.

MOVIES

RICHMOND—"Whispers"

Many scenes of Washington, the Capitol city, constantly before the public eye, will be included in Miss Elaine Hammerstein's Selznick production, "Whispers," which will be the feature attraction at the Richmond Theater tonight.

"Whispers" is described as a story of a young woman who has lived all her life with her aunt, a social butterfly, always hard up and always hoping to bring about a rich marriage for her niece who is, really, only a means to an end.

INGOMAR—Bryant Washburn

Bryant Washburn in "It Pays to Advertise" will be shown at the Ingomar tonight. This is an adaptation of the comedy which had such a tremendous success on Broadway a few seasons ago. It's ripping adventure, romance and comedy. Furthermore it's a Paramount-Artcraft. Donald Crisp directed it. A two-reel Mack-Sennett comedy will also be shown.

BAILEY HOLDS ADVANTAGE

Promised Support of One Rival in Second Texas Primary

Dallas, Tex., July 27.—Additional returns received last night from remote districts by the Texas election bureau, an organization formed by Texas editors for the gathering of election returns from Saturday's Democratic primary, failed to alter materially the lead Joseph W. Bailey, former United States senator from Texas, has held over his nearest opponent, Pat M. Neff, for the gubernatorial nomination.

With practically two-thirds of the estimated total vote tabulated, the race stood: Bailey, 117,671; Neff 114,-038; Robert E. Thompson, 79,031; Ben F. Looney, 38,917.

R. M. Dudley, campaign manager for Thompson, in a telegram to Luther Nickels, Bailey's campaign manager, declared that he would support Bailey in the run-off election to be held August 28.

VIRGINIA NEWS

Miss Carrie Easton, weaver at the Charlottesville silk mills, shot herself through the head early yesterday morning while she was dressing. She died yesterday afternoon. The girl was despondent over ill health. This is the third tragic death in the Easton family recently. One brother was drowned in the Rivanna River and another was a wood alcohol victim.

Joseph Brunk and Guy Shirk were severely stunned Saturday evening at the home of Mr. Frank Brunk, near Harrisonburg, when lighting struck and killed two cows they were milking.

Miss Willie Bradshaw, a young woman was shot to death in the kitchen of her home at Appalachia, at noon Sunday, and Floyd Freedman, 30 years old and married, has been arrested charged with the crime, it was learned at Bristol, yesterday. Freeman is said to have appeared at the kitchen door and with the greeting, "Hello Bill," fired six shots into her body.

Marvin Ernest, a 7-year-old deaf mute, lies in a hospital in Lynchburg, fatally injured, having been knocked down and run over by an automobile late Saturday. The child sustained a fractured rib and internal injuries. Kinckle Spencer, colored, was arrested and charged with manslaughter in the case.

Lynchburg and Wilmington, Del., capital has just perfected an organization for the location in Lynchburg of a $1,000,000 malleable iron foundry, and work will be started at once.

FOUR SHOT IN HOLD-UPS

Auto Bandits Escape With $25,000 After Thrilling PayRoll Robberies

Chicago, July 27.—Two bandits and two express company paymasters were shot, one of the latter probably fatally, and $25,000 stolen in two daring pay roll robberies on the West Side within twenty minutes of each other yesterday afternoon. All of the bandits escaped.

Earlier in the day two young men who have been holding up branches of a chain store grocery system perpetrated their fifteenth robbery within a month, escaping with $750.

Five bandits in a touring car fought with three express company messengers in front of the Hart Schaffner & Marx clothing factory, in the heart of the densely populated West Side and escaped with a steel box containing $10,000 after two of their number had been wounded.

More than fifty shots were exchanged in the fight, while 200 pedestrians and employes of the factory looked on. George Haubrock, one of the express paymasters, was shot through the head and is not expected to live. Another messenger, Charles Gaude, was wounded in the leg.

After Haubrock fell, one of the robbers grabbed the box, but was shot down by Gaude. A second bandit snatched up the money and threw it into the car, but was shot before he could follow and collapsed across the running board. His companions dragged the other wounded man into the machine and it dashed off with one injured man clinging to the running board.

A motorcycle policeman gave chase, but lost the trail after several blocks. Shortly after the first hold up, three armed men drove up to the Peterson Machine Works, almost at the edge of the Loop district, and took $15,000 from Abe Nelson, a saloon keeper, who is a stockholder in the concern. Nelson had just reached the plant with the money, which he had drawn from a downtown bank. The men escaped.

STORM SWEEPS COUNTY

Over $35,000 Damage Results From Wind, Hail and Lightning

Centreville, Md., July 27.—Thousands of dollars worth of property was destroyed throughout Queen Anne County Sunday morning when one of the worst wind and electrical storms in years swept over the county.

Corn and wheat fields in the vicinity of Queenstown, Stevensville and Starr were greatly damaged by the storm, some of the fields of corn being a total loss to the farmers. Shocks of wheat in the fields were blown down and scattered by the heavy winds. Great damage was also done to telephone poles and lines throughout the county.

During the storm lightning struck the barn on the farm of Norman Bryant, of Stevensville, burning it to the ground, together with its contents of wheat and hay.

RECOGNITION SEEN IN ARMISTICE

(Continued from Page One)

be stopped and arrangement begun for an armistice. In answering the Allied suggestion the soviet government immediately accepted the situation as one strongly favoring the chance of official Allied recognition of the soviets.

There are even veiled implications that Lloyd George may have anticipated just what Lenine did. He certainly acted on behalf of all the Allies when he made his suggestion for an armistice directly to the soviet government of Russia, and now is in a position, if he desires, to bring pressure to bear upon Millerand that since negotiations have been opened with Russia there is nothing to do but go through with them in order to help Poland.

The objection to recognition of the soviet regime raised by France has its foundations in the repudiation of foreign borrowings by Lenine and Trotsky. France had advanced tremendous sums to the Russian Government, and in addition, had large holdings in Russia.

Chicago, July 27.—Jack Johnson, former heavy-weight champion of the world and now in prison at Joliet, tried to get out yesterday, but failed when Federal Judge Alschuler refused to hear an application for bail. He referred the case to Judge Carpenter, who was not holding court.

United States District Attorney Charles F. Cline declared he will try to keep the former champion in jail until he is resentenced. Johnson jumped his bail several years ago following his conviction on a charge of white slavery.

RECORD SWINDLE

Hungarian Left for Foreign Journey and Millions in Money is Missing

Budapest, July 27.—What is believed to be the greatest swindle on record has been discovered here. A high Hungarian official named Martin Jellinek, who was one of the prime minister's entourage, cheated a number of people, including skilful money speculators, of 450,000,000 crowns (nominally $90,000,000), and absconded with a forged British passport.

At the beginning of April rumors circulated in Budapest that a certain amateur speculator was in a position to sell foreign money at about eighty crowns below the ordinary rate of exchange. Business men were incredulous at first, but an order for the equivalent of a million crowns ($200,000) was promptly carried out, and the news was carefully spread. Jellinek declared that he could procure any sum of money, as he was well acquainted with the entente officers stationed in Budapest.

In the middle of May his agents circulated the news that Jellinek was starting on a trip abroad for foreign money, and would return in June. Bankers, aristocrats, wealthy women and officials placed nearly 500,000,000 crowns ($100,000,000) at his disposal They are still looking for the swindler.

There is no clue regarding his whereabouts. The only fact established is that he went away with 450,000,000 crowns. Two banks have lost 60,000,000 crowns ($12,000,00) each One woman, who lost her whole fortune committed suicide.

CROWD WACHES PLUNGE

New York, July 27.—Mrs. Anna Grunnar, 60, stood poised on the ledge of an eleventh-story window of the apartment house at 285 Central Park west late yesterday afternoon. While a crowd of terrified men and women stood breathless in the street, Mrs. Grunnar calmly adjusted a handkerchief over her eyes and leaped into space. Her body struck the pavement almost at the feet of several persons who were wheeling baby carriages. She was dead when picked up.

The plunge was made from the apartment of Richard Seidenberg, for whom Mrs. Grunnar was a servant.

The Seidenbergs said Mrs. Grunnar had been ill and expected a visit from a physician yesterday. To add to her sorrows, she had just received a letter from her sister in Germany, who mentioned a divorce.

KIDNAP NEW HUSBAND

Bridegroom, Tied to Auto Truck, Arrested for Violating Traffic Regulation.

Louisville, Ky., July 27.—Clifford H. Meschmeyer, chauffeur, and Miss Alma Hedges, a society girl, were pronounced man and wife at a church wedding in Jeffersonville, Ind., yesterday and then the party went to the home of the bride's mother for a reception. Friends of the bridegroom stormed the house, captured him, clothed him in a nightgown, snapped handcuffs on his wrists, dragged him to an old motor truck and fastened his hands to the steering wheel.

Downtown the truck went, drawn by a horse, which was led by an old negro. The truck and bridegroom were left in front of a motion picture theater. The vehicle was headed the wrong way and Patrolman Lutz, new to the force and impressed by orders to watch traffic violators, arrested the driver and took him to jail.

The bride arrived and wept and the jailer soon got permission to release his charge.

Good Light Lightens Labor : :

Lighting the kitchen is like lighting a factory. Good lighting quickens production, as the factory man would say. In other words, it makes work go faster without the expenditure of any more energy.

Of all places needing more light and better light the kitchen in most homes is one of the most important. And when you have doubled or trebled the light in your **work** rooms, try it also in your **living** rooms.

If you find that doubling or trebling the illumination there mean glaring light, don't cut down the amount of lighting again—shade the light better! Keep the direct rays from striking the eye. Throw some of the light to the ceiling and walls.

In every socket—in every room from cellar to garret—use only
EDISON MAZDA LAMPS

If you will do that, you will find that a great deal more light in the room is decorative, pleasing and restful. It's not the amount of LIGHT that you find irritating in some rooms, but the amount of GLARE.

OUR METER MEN REPORT THAT A NUMBER OF OUR CUSTOMERS ARE USING CARBON LAMPS. WHY NOT BE UP TO DATE? USE MAZDA LAMPS—BETTER LIGHT—LOWER BILLS.
